RESPONSE TO VERBAL COMMUNICATION FROM EXAMINER

Sir:

This is in response to a verbal communication on November 15, 2007, from Examiner Sunit Pandya, requesting a complete set of clean sheets of drawings for the original patent (US Patent No. 5,286,037). Mr. Pandya explained that the requested drawings should reflect the drawings that were submitted when the patent was approved. Mr. Pandya was also returning my calls to Ms. Colleen Cooke, Special Examiner, and Mr. Robert Pezzuto, Supervisor. I did make a number of telephone calls to inquire about the status of this application as it was allowed by the Examiner on August 23, 2007, however a Notice of Allowance was not mailed. I was advised by

Mr. Pandya that the reviews for this application are now complete, and that all that is required is said set of original patent drawings.

DRAWINGS:

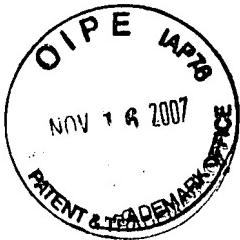

The original application includes 24 drawings. As requested by the Examiner on November 15, 2007, clean sheets of original patent drawings are attached (drawings numbered 1 to 24).

CONCLUSION

The Applicant has complied with the request made by the Examiner during his telephone conversation with the Applicant on November 15, 2007. Accordingly, it is respectfully submitted that this reissue application is ready for issue.
